Re: ***AT&T Corp. Petition for Declaratory Ruling Regarding Enhanced Prepaid Card Services, WC Docket No. 03-133***

Dear Ms. Dortch:

Today I had a telephone conversation with Steve Morris of the Pricing Policy Division, Wireline Competition Bureau, regarding the above-referenced proceeding. In particular, I notified Mr. Morris that AT&T has implemented additional features described in its November 22, 2004 written ex parte to the Wal-Mart/SAM'S CLUB/AT&T enhanced prepaid calling cards. As part of our discussion, I provided Mr. Morris copies of the attached documents, which include a print advertisement announcing the ability of AT&T enhanced prepaid card users to donate "phone minutes" to US troops deployed overseas and the press release announcing this initiative.

One electronic copy of this Notice is being submitted to the Secretary of the FCC in accordance with Section 1.1206 of the Commission's rules.

Sincerely,

A handwritten signature in black ink, reading "Amy L. Alvarez". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.
